ABOUT ME

Book design allows me to make art while contributing something of value to the world. I'm stoked everyday that I get to create work that is meaningful to others and encourages people to read.

In my free time I enjoy reading on my kindle, snuggling one of my many cats, and single handedly keeping my neighborhood coffee shop in business.

WORK EXPERIENCE

IN-HOUSE LEAD DESIGNER

RED HEN PRESS ♦ October 2018 - Present

Concept and design of covers for poetry, novels and non-fiction, collaborating with the head publisher, publishing staff, and sales representatives. Creates press-ready mechanicals. Designed over 30 published covers. Supervises design staff and assigns projects.

FREELANCE DESIGNER

NOTCH DESIGN ♦ February 2021 - Present

Concept and design of covers for trade and university presses, collaborating with the lead Art Director. Works quickly within tight deadlines. Works on multiple covers at a time. Creates press-ready mechanicals. Selected Publishers: Ohio State University Press, Stanford University Press, Trinity University Press, Mysterious Press, Firewire Creative.
